**“The shell of a sea turtle unfolds a symphony of warm and soft colors, painted by nature with an infinitely creative and delicate brush.**

**Its uniqueness lies in each intricate design that unfolds on its surface, like a map holding ancestral secrets and whispering stories of unexplored oceans.”**

**In them lies the inspiration for our new collection.**

★ **A unique concept:**  
We are the first brand to develop Tortoise technology in an indestructible product.

★ **An artisanal process:**  
Hand-painted pieces. Each frame has a perfect finish and unparalleled attention to detail.

★ **An exclusive product:**  
As they are hand-painted, each frame is unique, and every pattern is slightly different.

★ **Connection with nature.**
